NEDA MARITIME AGENCY Co Ltd and VENLYS form a partnership on  
Human Resources RESILIENCE**

NEDA MARITIME AGENCY Co Ltd and VENLYS Maritime Reputation and Safety Solutions announce their partnership on the development and implementation of a noteworthy key initiative, focused on Human Resources Resilience. The purpose of this cooperation is to establish, develop, and to document NEDA seafarers' aptitude on resilience, thus meeting and further exceeding the safety standards and demands of modern shipping and aiming to achieve and sustain a Zero Incident industry.

Both NEDA and VENLYS reiterate their commitment towards the enhancement of maritime safety and the protection of the marine and littoral environment. Both companies will work together to achieve these targets which ultimately promote safety culture on board vessels.

*VENLYS Maritime Reputation and Safety Solutions specialises in preparing maritime safety strategies and offering solutions, protecting customers' reputations, and benchmarking Human Factors performance in clients operations, whilst simultaneously offering effective tools for maintaining a safe and efficient working environment.*
